### Courses attended by our staff

During October Sue and Nicky attended a Bereavement, separation, loss and transition course. The course has trained them to help children and parents through difficult times. If you would like to make an appointment please see them or Karen.

Lisa and Carol have completed a two day Designated child protection course this month and Hayley and Lisa are booked to go on a Makaton course.

Corrine has nearly completed her level 2 in early years and Mark Kerry and Leanne have started their Level 2 training

The staff put in a lot of out of hours training and work I would just like to take this opportunity to thank them all for their commitments.
